

EXPRESS DELIVERY SERVICES

ILT SERVICES provides fast, reliable transport solutions that are designed for time-sensitive packages that require immediate attention. ITL SERVICES prioritizes speed, security, and professionalism to ensure that items are picked up and delivered efficiently within our service area without compromising handling standards or compliance requirements. This service is ideal for businesses and individuals needing urgent deliveries such as documents, small freight, retail goods, equipment, and other approved items requiring same-day or scheduled expedited transport.

Our mission is to provide dependable, local express transportation solutions that support operational efficiency and customer convenience across Hillsborough, Manatee, Polk, Pinellas, and Pasco counties.

Service Overview

ITL SERVICES Express Delivery ensures:

- Rapid pickup and delivery scheduling
- Direct, point-to-point transport (no unnecessary delays or route stacking)
- Real-time coordination and communication
- Secure handling of approved packaged items
- Service coverage within a **maximum 100-mile radius** from pickup to delivery locations

All deliveries are performed within our defined regional service boundaries to maintain reliability and speed.

Pricing Structure¹

Express delivery pricing ranges from **\$8 to \$90 per delivery**, depending on mileage and service conditions. To maintain transparency and fairness, pricing is primarily determined by distance and service requirements.

Base Mileage Pricing:

- **1–10 miles:** \$8
- **11–25 miles:** \$15

¹ Variable Pricing

- **26–35 miles:** \$25
- **36–45 miles:** \$35
- **46–55 miles:** \$45
- **56–65 miles:** \$55
- **66–75 miles:** \$65
- **76–85 miles:** \$75
- **86–95 miles:** \$85
- **96–100 miles (maximum service radius):** \$90

Additional Mileage Policy (Outside Standard Range Adjustments Within 100 Miles)

If a delivery exceeds the initially estimated mileage due to rerouting, multi-stop requests, or changes in destination, the following per-mile rate applies:

- **Additional Mileage Fee:** \$1.25 – \$2.00 per mile (added to base rate)

Mileage is calculated using the most efficient and commercially reasonable routing method determined by ITL SERVICES.

Factors That May Affect Pricing

Final pricing may vary based on operational conditions, including but not limited to:

- Total mileage and route complexity
- Urgency of delivery (same-day, ASAP, scheduled windows)

- Pickup and delivery timing (peak hours, weekends, holidays)
- Number of stops or multi-drop requests
- Weight, size, or handling requirements
- Wait time at pickup or delivery locations
- Special handling or loading requirements
- Traffic conditions or restricted access locations
